February 28 CF&G Scholarship Fund Prime Rib Dinner Fund Raiser Tickets will go on Sale Soon

Game Dinner

Game contributions are requested for the annual Game Dinner. Deer, pheasant and fish mostly, plus anything else appropriate for the event. Also lots of volunteers are needed. Understand that our reputation for putting on a premier meal is on the line. Lets get it done!!!

Don Pigan Man of the Year

Past Man of the Year, Bill King (left) and CF&G President Ron Zack (right) present Don Pigan with the 2008 Man of the Year plaque. Thank you Don for your service.

Kid's Christmas Party

Santa Claus made a special visit to the Fish and Game Club and brought lots of gifts for the kids who were nice and not naughty, as far as we know. Jackie and Jackie (Ensor and Sirios) did a great job and want to thank everyone who donated and brought food. Santa says; see you next year! HO HO !

Corrections

JR. McKelvey's name was inadvertently omitted from the group photo of the dart teams on page 1 of last month's edition of the Newsletter.

Congratulations

To Brian Pulaski who was voted in at the December 1st meeting of the CF&G.

Photos from the Kid's Christmas Party

Conservation

2008 Pheasant stocking is over. The overall pheasant harvest was down this year; Out of 500 birds stocked, 43 bird hunters were only able to take 234 birds, with the "Hot Spot" being the Adam Piekarz's property. I want to thank John and Jed Felciano, Mike Talaga, Tony Hayes, Jason Schultz and Lou Kimball for all their help in making the 2008 pheasant season enjoyable for everyone. I also need to thank the kitchen crew for all their help in putting on the Hunter's Breakfast, and John Okonuk for the donation of the eggs. Without you guys we would not have been able to average 30 breakfasts a week and make some \$\$\$\$ for the Club. Thanks again, John Ruzala.

The last fish stocking of the year will be December 26. Open water rules are in affect until we get some ice.

Skeet Stuff

ECSC Fall League Shoot
Frank Kozikowski came in second in
Division "C" with a 48.

Range
